13.4 The beast out of the earth Part 1

- The churches of today hardly talk about religion, which will be very useful for the beast.

Rev. 13:11-14

- Where did the beast come from and where will it go?
- The Lamb: the original text gives more rise to the translation of a lamb and points to a wolf in sheep's clothing.

Rev. 19:20

Math. 7:15

13.5 The beast out of the earth Part 2

- Two horns, a sign of power.
- The number two is an imperfect imitation of the true Lamb of God who has seven horns.
- The beast out of the earth = the anti holy spirit who influences the people of the earth. Again, a bad imitation of the Holy Spirit who convinces people of sin.
- The Holy Spirit is a part of the Trinity of God always staying at the background. Beast out of the earth: antitype of the Holy Spirit. Power of operation is: an inner self, occult or demonic.

Rev. 5:6

Joh. 16:8

13.6 The beast out of the earth Part 3

- In that direction seems the present stormy increased interest in New Age, transcendental meditation, Yoga etc.
- Observe! The behaviour of the antichrist and his false prophet is certainly not seen as alien or unreal!
- This will be the religion acceptable by every one. Except for the one or two people who disagree. They are seen as the world strangers who no longer fit into this "perfect" world.
- The antichrist can also perform wonders e.g.: the snake.

13.8 Image of the beast Part 2

- The anti spirit inspires the people of the earth to build an image for the antichrist. The most surprising thing is that the image is given a spirit and is able to judge. A mark is given. Is that the announcement of a super computer?
- The danger of an infringement of personal freedom. In public interest a compulsory mark of the beast.
- Most people have a current account. An improvement can be made for every body by a mark on the right hand or forehead for every body to buy and to sell.
- The church asks every body to cooperate for the love of one's neighbour and to build a new society. The new saviour of the modern world is called the antichrist and deserves to be honoured.

13.9 The number of the beast

- The number is 666. No point to calculate, bad results.
- Characters in text can have a numerical value.
E.g. Roman numbers: M=1000, D=500 and V=5 etc.
- What language to use for the calculations?
Hebrew or Greek?
- Luther, Calvin, Hitler Nimrod and many other names.
- $\chi \xi \varsigma$ ^{Ch}rist
Snake The number 6 6 6
^Cross
- Many methods to calculate. Better to wait for when the time is there and then draw conclusions.
The best is to put your trust in Christ today
as He will save you from the wrath of God!
